

Property/Packages

The Miramar Property/Packages team have decided to change our current servicing arrangements.

Effective from 1st April, the team will no longer be split between renewals and new business.

All underwriters within your allocated team will be required to work on all sources of business, with an overall view to increasing our response times and service standard levels.

**YOU CAN ACCESS OUR
UNDERWRITERS DIRECTLY**

**Miramar Reserving Policy—We will only consider
terms for the first completed submission received.**
