

ISR Wording

We take a proactive approach in understanding the client business, tailoring the policy to their specific needs and thereby ensuring we provide the best possible terms.

Miramar Industrial Special Risks Insurance (ISR) provides property damage cover and consequential loss cover for small to medium organizations, based on the Mark IV Wording including the Steadfast agreed endorsements (other non-Steadfast endorsements can be considered by request).

Our security is Lloyd's of London, who are the oldest insurer in the world and their continued support ensures our longevity.

Our maximum Limit any one loss is \$30,000,000.

We have continuing success with the following occupation types:

- General Engineering
- Motels
- Large Retail chains
- Licensed Clubs
- Nightclubs
- Printers & Publishers
- Property Owners – wide range of occupation classes
- Shopping Centres
- Plastics (Injection and Extrusion) Manufacturers
- Textile Processing
- Warehousing – Low to High Hazard
- Woodworkers
