

## Liability Facility

Our facilities are designed to give us an important competitive edge in the underwriting of niche products and general market occupations.

We believe our facilities will put you in a good position to secure or retain business for your brokerage.

Some examples of occupations we either look for or are competitive on are:

- Air Conditioning & Waste Treatment (including Errors & Omissions)
- Sport Gun Clubs, Firearm Dealers, Hunting Safaris, Professional Gun Handling Trainers (including E&O), Professional Shooters for Feral Animals
- Safety Products Manufacturer
- Construction Liability (Annual or Project specific)
- Fire Sprinkler Systems (Service/Maintenance/Installation)

- Mining Contractors, including above and underground work
- Mineral / Resources Exploration
- Various Manufacturing and Engineering risks including Exports to USA and Canada
- Manufacturer of Mining Equipment
- Agricultural / Chemical Manufacturing / Importers / Exporters
- Project Managers / Consultants
- Motor Vehicle Parts
- Sawmills / Timber Processing / Timber Treatment
- Petrochemical Imports / Exporters
- Heavy Engineers, including Installation
- Contractors, including Mining, Offshore Oil and Gas
- Structural Steel Fabrication Installation
- Plastics Manufacturers
- Marine / Non Marine Fibreglass Manufacturers

- Truck Body & Trailer Repairer
- Large Property Owner Schedules
- Paper Product Manufacturers
- Woodworkers
- Rail Product Manufacturers
- Clothing & Textile Manufacturers
- Rubber Products Manufacturers
- Food Manufacturers
- Scheme Business

We can also extend our covers to include Errors and Omission.

Please remember we are not limited to the above occupations – they are only a sample of what we can do.

We can offer terms on most occupations and we urge you to contact us at Miramar for all your client's Liability needs.
